“Rules framed by the High Court under section 50 of the Guardians and Wards Act, 1890 (VIII of 1890), for the guidance of guardians ad-litem of minor defendants and minor respondents.”

I.—ORIGINAL SUITS.

43A. (1) Where there are both major and minor defendants and there is no appearance, the guardian should communicate with the natural guardian of the minor as well as with the major defendants by registered reply post-card in which the subject-matter of the suit should be briefly stated.

(2) Where the sole defendant is a minor, the aforesaid communication should be addressed to his natural guardian.

(3) If no response is received to the communication mentioned in sub-rules (1) and (2), or if the response is not helpful and the guardian is unable to have a personal interview with the defendants or their agents, he should report the fact to the court with a statement of the circumstances and apply for leave to go to the locality for necessary enquiry.

(4) The guardian's report on such local enquiry, if permitted, should contain the following particulars :—

(a) Date and hour of departure for the locality.

(b) Mode of journey, viz., whether by rail or steamer or boat or road.

(c) Date and hour of reaching the locality.

(d) The names of persons who identify the minor.

(e) Age of the minor as stated by the minor's people and as estimated by the guardian.

(f) The names and residences of persons in whose presence the enquiry is held.

(g) Whether the minor has any defence.

(h) If there is defence, what is the nature of it and what benefit is expected to accrue to the minor out of the defence.

(6) Where in response to the communication mentioned in sub-rule (2) or otherwise, the minor or his natural guardian, or any other persons on his behalf, come and see the guardian, his subsequent proceedings and report should conform as far as applicable to sub-rule (4) (g) to (j).

(7) The guardian's report mentioned in sub-rules (4) and (6) may contain such other facts as he may think necessary to bring to the notice of the court.

(10) If no response is made to the registered post-card mentioned in sub-rule (1), he should, before applying for leave to go to the locality, similarly communicate with the pleader who conducted the case in the lower court on behalf of the minor or his predecessor-in-interest, and ascertain from him if possible the probable cause of the non-appearance of the minor, reporting the result to the court.

(11) If the step taken under the last preceding sub-rule does not elicit any satisfactory results, the guardian should consult the record and submit a report to the court in which he should state whether in his opinion the judgment and decree of the lower court can be supported, and if such opinion is in the affirmative, why he should not argue the case himself before the court. A written note on the merits of the case should accompany the report.

(12) An amount estimated to cover the actual travelling and halting expenses of the guardian, not exceeding the scale laid down by rule 43B, will be required by the court to be deposited by the party at whose instance the guardian is appointed, before an order is passed for a local enquiry mentioned in sub-rule (3). (xii) No deposit of public securities under the sixth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

(xiii) The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand render at the time a deposit either in Government of India notes, receipts of the Imperial Bank of India, or Government securities a sum equal to the amount for which a promissory note would otherwise be taken under the sixth of these conditions.

(xiv) With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent at any time during the sale, to withdraw any unsold lot, and immediately to

it up again for sale at a maximum upset price, diminishing the same gradually by Rs. 5 at a time until a bid is obtained; and the first *bona fide* bidder for a lot, after it has been offered for sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 4,500 specified in the third of these conditions.

(xv) The purchaser of any lot shall have the option of naming and purchasing, in immediate succession, at the same price and under the same conditions, any number of lots of opium not exceeding altogether ten lots, provided always that there remain a sufficient number of lots of the opium to complete the said ten.

(xvi) In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

5. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the office of the Government of Bengal:—

No. 1.—Certificate of the opium advertised for sale.

No. 2.—Report of the examination of such opium.

6. The public are hereby informed that in providing the investment of the opium manufactured in the Ghazipur Factory, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug, when packed at the Ghazipur Factory, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the office of the Government of Bengal.

7. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Government of Bengal. But, in accordance with established usage, under no circumstances will the Government entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred, on reference to chests, after the sale and delivery of the opium for shipment.
